

Waiver Applications

As of July 23, 2019, MDE has received a total of 133 applications for waivers. One hundred and fourteen of these did not meet the strict requirements for approval, and the remaining 19 are under review as of July 23, 2019. It should be noted that, due to the rigorous review needed for proper processing of the applications, MDE has reached out to the applicants and advised them that they may wish to apply for a 12-month deferral.
